

A person wearing a red and black plaid shirt is standing in a field of pink wildflowers. The background is filled with trees and more wildflowers, creating a natural, outdoor setting. The text is overlaid on this image.

CORRIGIN WILDFLOWER DRIVE

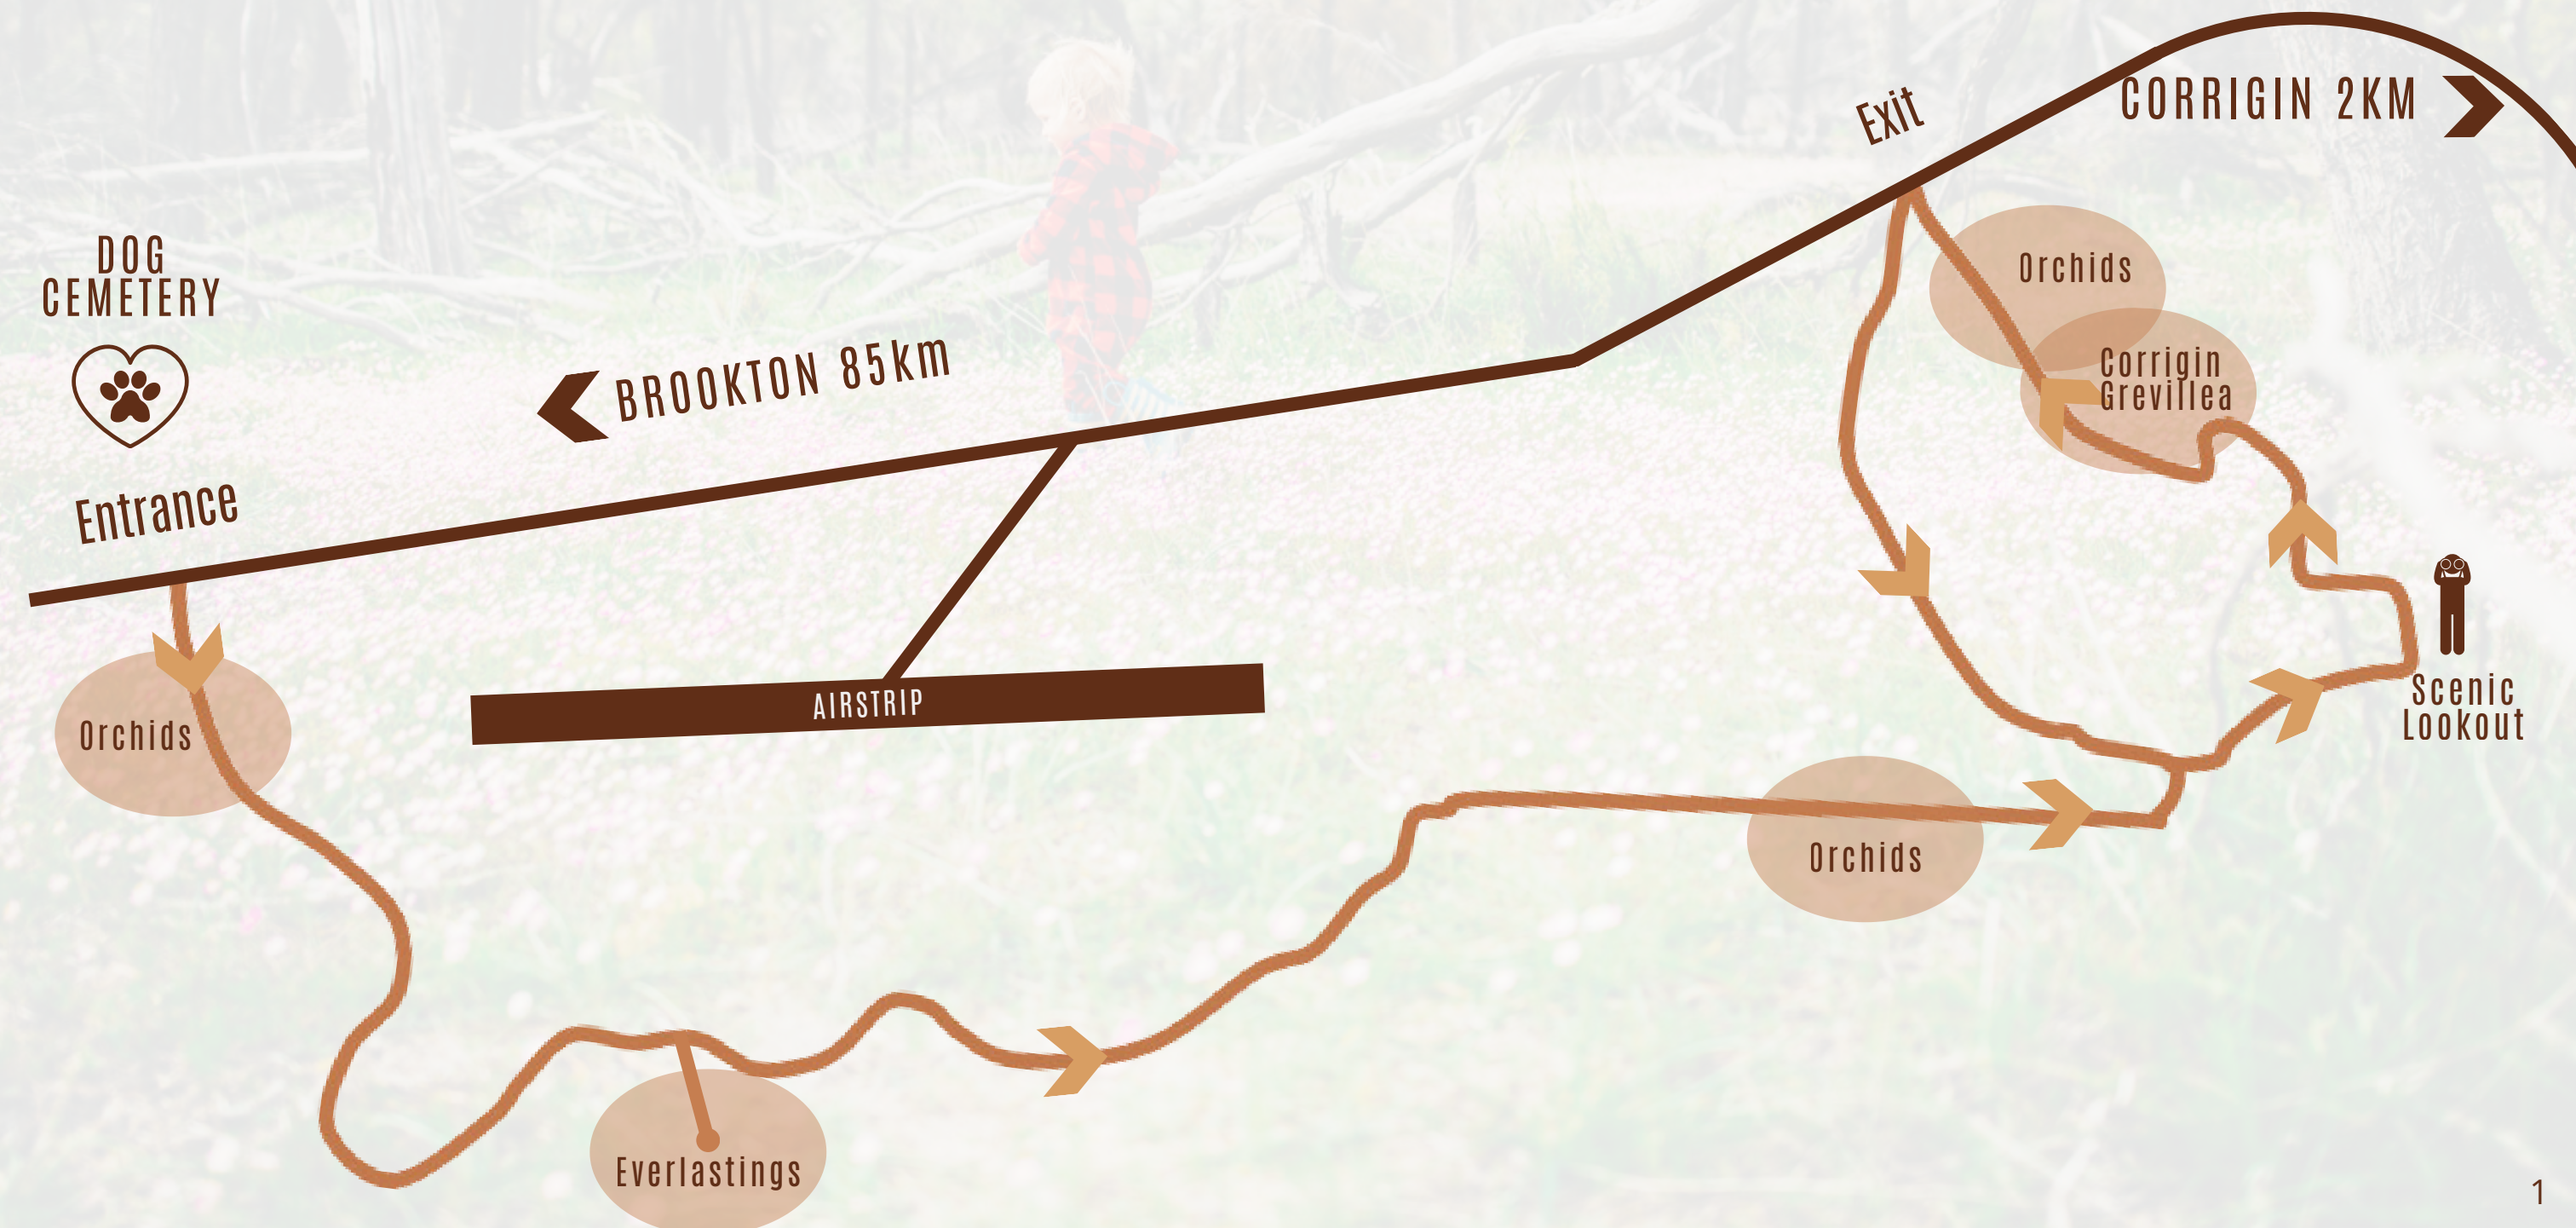

5KM WEST OF CORRIGIN TOWNSITE
ENTRY OPPOSITE CORRIGIN DOG CEMETERY

Corrigin Wildflower Guide

From late winter to early spring, a vast array of beautiful and unusual wildflowers, shrubs, and trees can be found along the Corrigin Wildflower Drive. The entrance is located approximately 5km west of Corrigin townsite, opposite the Corrigin Dog Cemetery. The track is a wide one-way graded gravel track, roughly 4.1km long and is caravan friendly. Visitors are encouraged to get out of their vehicles and look closer, but please make sure the car is parked on the left-hand side of the track to allow others to pass.

Hundreds of different plants can be spotted year-round, including feather flowers, leschenaultias, mallees, smoke bushes, and tall eucalypts, which give a fantastic range of colour. Spring flowers often include an array of orchids such as blue beard, cowslips, donkeys, greenhoods, mantis, shells, snails, and spider orchids. Other wildflowers such as everlastings, Corrigin grevilleas, sundews, trigger plants, and wattle can be found throughout the Drive.

Orchids and flowers can be found in the topsoil and under leaf litter, but please watch your step as some flowers are very small.

What You Might See

Donkey Orchid
Diuris arbuscula

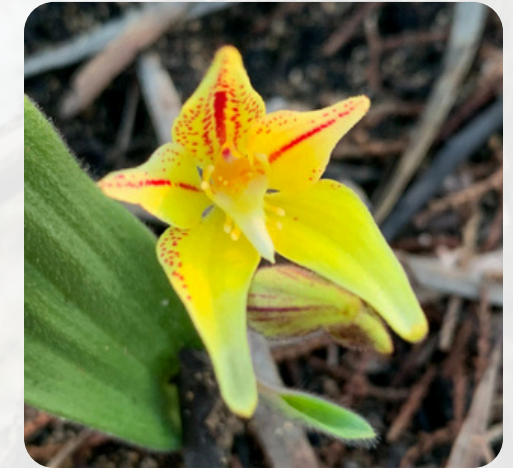

Green Fringed Mantis
Orchid
Caladenia falcata

Jack in a Box Orchid
Caladenia roei

Purple Enamel Orchid
Elythranthera bruonis

Cowslip Orchid
Caladenia flava

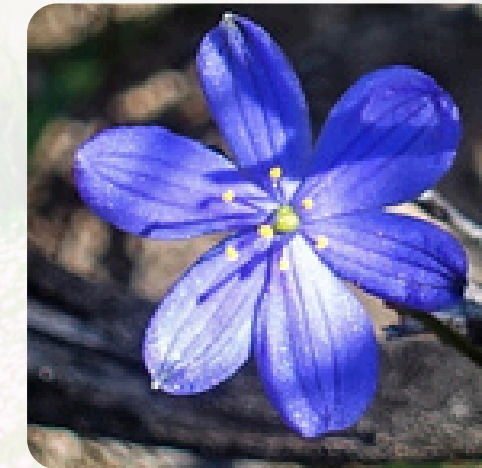

Little Pink Fairy
Orchid
Caladenia keptans

Blue Beard Orchid
Pheladenia deformis

Sugar Orchid
Caladenia saccharata

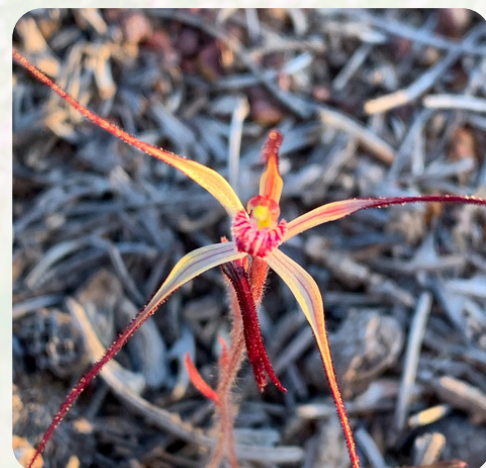

Blue Squill
Chamaescilla corymbosa

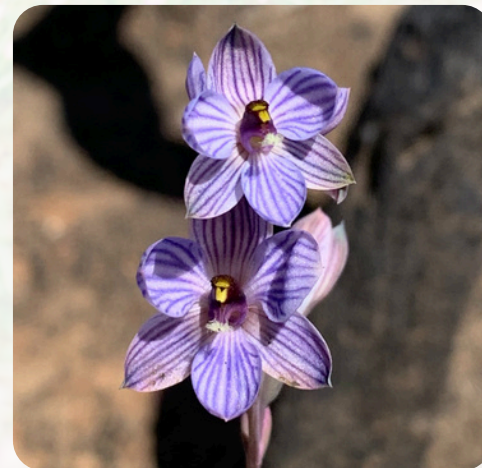

Jug Orchid
Pterostylis

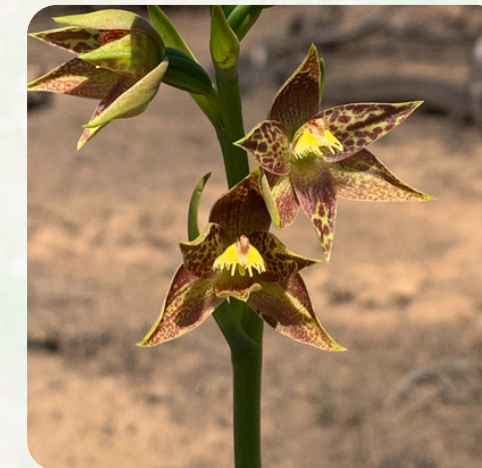

Hairy Stem Snail
Pterostylis setulosa

Wispy Spider Orchid
Caladenia capillata

Blue-Striped Shirt Orchid
Thelymitra campanulata
lindl

Leopard Orchid
Thelymitra benthamiana

Red Beaks
Pyrorchis nigricans

What You Might See

Frilly Leek Orchid
Prasophyllum sargentii

Milkmaids
Stylidium caricifolium

Horn Trigger Plant
Stylidium petiolare

Trigger Plant
Stylidium

Trigger Plant
Stylidium

Trigger Plant
Stylidium

Trigger Plant
Stylidium

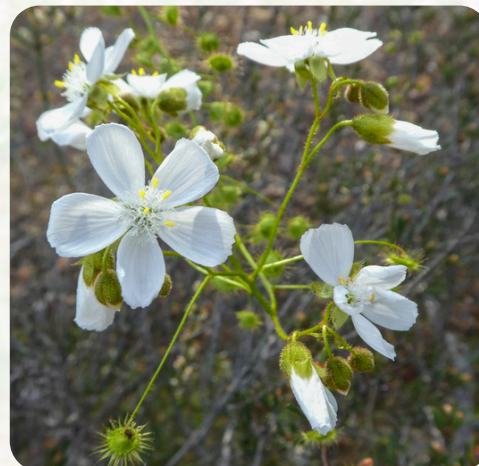

Boomerang Trigger Plant
Stylidium breviscapum

Pink Sundew
Drosera capillaris

Red-leaved sundew
Drosera bulbosa

Climbing sundew
Drosera macrantha

Everlastings
Lawrencella

What You Might See

Icecream Cone Grevillea
Grevillea eryngioides

Corrigin Grevillea
Grevillea scapigera

Red Toothbrush
Grevillia cagiano

Marbel Hakea
Hakea incrassata

Wattle
Acacia lasiocarpa

Wattle
Acacia chrysocephala

Inland Bushmops
Urodon dasyphyllus

Spiky Daviesia
Daviesia intricatateres

Guinea Flower
Hibbertia exasperata

What You Might See

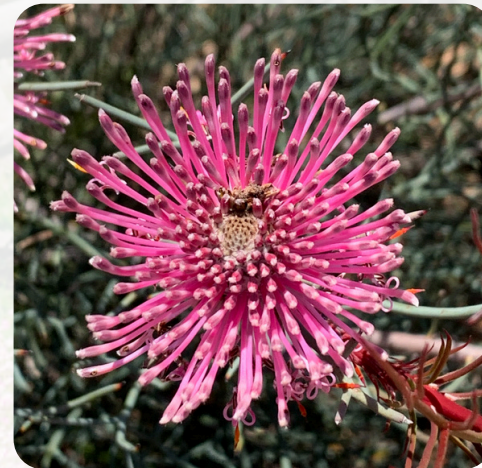

Honey-Myrtle
Melaleuca pungens

Honey-Myrtle
Melaleuca tuberculata

Fringe Myrtle
Calytrix leschenaultii

Cone Flower
Isopogon divergens

Cone Bush
Petrophile brevifolia

Rice Flower
Andersonia carinata

What You Might See

Golden Dryandra
Dryandra purdieana

Orange Immortelle
Waitzia acuminata steetz

Pop Flower
Glischrocaryon

WA Foxglove
Pityrodia terminalis

Wheatbelt Foxglove
Chloanthes coccinea

Lavender Dampiera
Dampiera lavandulacea

What You Might See

Painted Feather Flower
Verticordia picta

Painted Feather Flower
Verticordia picta

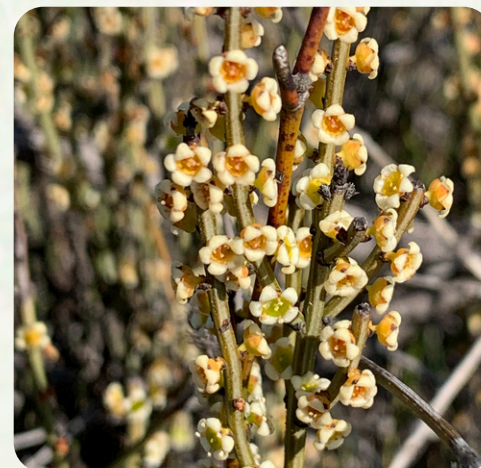

Yellow Feather Flower
Verticordia chrysantha

Wild Cauliflower
Verticordia roei

Slender Phebalium
Phebalium filifolium

Sand-loving Psammomoya
Psammomoya choretroides

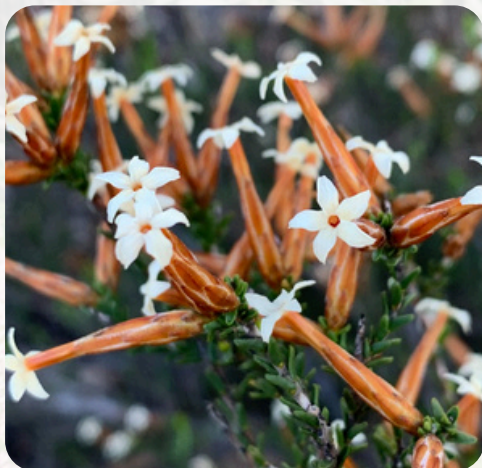

What You Might See

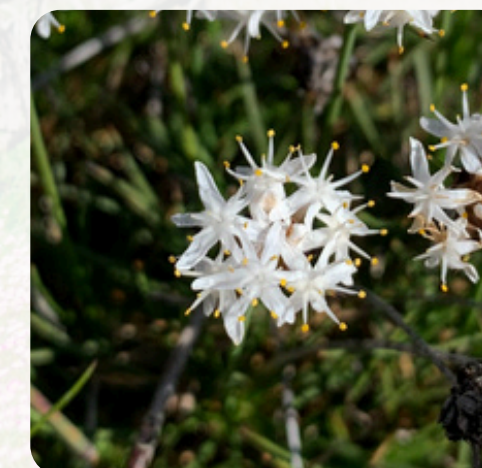

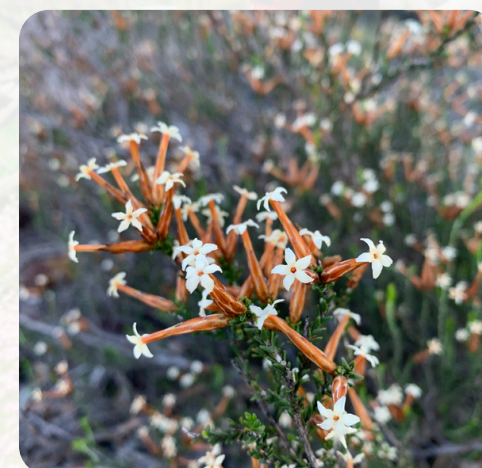

Blue Leschenaultia
Leschenaultia biloba

Broom Milkwort
Comesperma scoparium

Curry Flower
Lysinema pentapetalum

Pin Cushion
Borya

Picking wildflowers is prohibited by law throughout Western Australia.
